RETAIL DISPLAY FIXTURES

POINT OF SALE COUNTERS

Point of Sale Counters are the customer's point of purchase and the central point of interaction in your store. A well-designed POS Counter creates an attractive yet functional work area to complete transactions and establish a branding landmark for your store. Our POS Counters are available in standard sizes or they can be custom designed to your shop.

GLASS WALL DISPLAY CABINET

Our tempered Glass Wall Display Cabinets are often placed above the Cannabis Storage Cabinet. Keyed-alike locks keep the product secure, yet easily accessible.

CANNABIS SAMPLING BARS

Cannabis Sampling Bars are a safe and secure way of displaying product. Sampling Bars allow product to be professionally displayed while also keeping it securely stored.

STORAGE CABINETS

Our locking cabinets are perfect for a workspace behind your sales counter. All sizes and specifications are designed to your needs. Choose a Solid Surface or HPL countertop, number of drawers, color and design that suit your shop style. Keyed-alike locking drawers and doors offer plenty of secure back stock storage.

GLASS DISPLAY

Glass Displays utilize clear tempered glass combined with LED lighting to create an attractive, eye-catching shopping experience. Keyed-alike locks combined with easy access slides allow for security and convenience. Built in many sizes and shapes to fit your retail space.

SLATWALL DISPLAY UNITS

Display Units are standalone fixtures that can be moved around your store. Made of slatwall, pegboard or laminated board they have countless options to display your merchandise. H-units, spinners and custom configurations are available in multiple sizes and finishes with numerous options.

WALL PANELS & ACCESSORIES

SLATWALL PANELS

Slatwall is used for wall coverings or display fixtures. Slatwall panels have horizontal grooves that accept a variety of shelves, hooks, baskets and hangers to display all your merchandise. Whether you have jars, oils, bottles, hats or t-shirts, this is the perfect panel. We offer a variety of solid colors, classic wood grains and rustic wood grains.

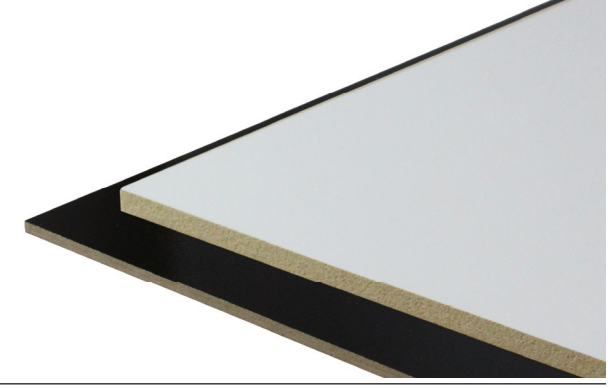

- 4' x 8' 5' x 8' standard panels
- 24" H x 48" L - 2 packs (available in stock colors)
- 3" OC & 6" OC grooves
- Long & short direction
- Custom edge finishes
- Custom fabrication
- Digitally printed
- Laminated
- Painted

SHIPLAP PANELS

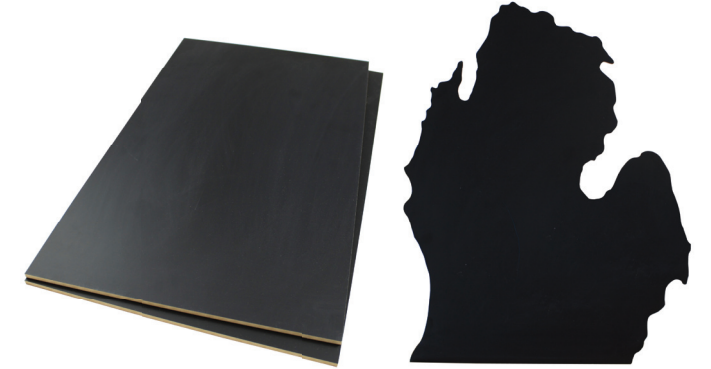

Shiplap is the perfect way to change your space. Visual merchandising and the atmosphere you provide will make your store and products stand out. Our Shiplap is an MDF plank, pre-finished with laminated paper in several great wood grain designs. Its extremely easy to install with professional looking results.

- Planks come in easy to cut 8' lengths
- 8 planks per box
- Can be installed directly over sheetrock
- Interior use only

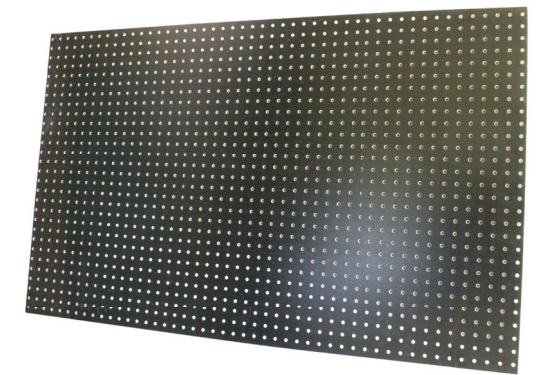

MARKERBOARD

Markerboard panels are perfect for menu boards to list new items, pricing or specials; the possibilities are endless. Our markerboard is produced on an MDF core. Lightweight and easy to hang, our markerboard can be cut to size or any shape you like. Large 4' x 8' panels are available to cover an entire wall.

CHALKBOARD

Chalkboard panels are perfect for menu boards to list new products, pricing, specials or used as custom signage. Our chalkboard is 100% water based paint on an MDF core. Lightweight and easy to hang, our chalkboard can come in custom colors and be cut to size or an amazing shape. Large 4' x 8' panels are available to cover an entire wall, behind a counter or bar.

PEGBOARD

Pegboard has been around for years and there is a reason why. It is a system that is great for hanging a variety of products utilizing hooks; shirts, hats, tools, small packaged goods, candy and more. We can provide plain or custom painted, cut to size or routed to shape. Large 4' x 8' panels are available to cover an entire wall.
